The Makit Reseller Program is a self-service, automated, website ordering system. Payment is due at the time the order is placed. Acceptable payment method is through credit card purchase only. Average factory processing times are 10 business days. (High production volume during peak holiday seasons such as Thanksgiving, Christmas, Mother's Day, and Father's Day will take longer.) Allow extra time for shipping. All products produced will be sent standard shipping to the address you provide unless otherwise specified by you at time of purchase online. Expedited shipping is available for a higher cost which is shown at the checkout cart during the online ordering process. Makit Products reserves the right to refuse orders with questionable image content. It is the policy of Makit Products to refuse to accept any artwork or electronic image which contains any pornographic images, profane wording, sexually explicit material, is obviously discriminatory, or otherwise potentially disruptive to our mission and code of conduct or in any way deviates from our family and child-friendly business. Either party may terminate this agreement at any time without notice.
