

Make A Bowl Instructions

NOTE: ¼" of the edge of the template will not show on the finished bowl.
Do not write on the outside edge.

- Choose a clean, dry work space. Wash and dry hands thoroughly before beginning. Don't eat or drink while doing the project.
- For final artwork, use **ONLY** the special paper provided. You may wish to practice rough drafts on other paper.
- Color on only **ONE** side of the paper template. Anything on the back of the paper will show on the finished bowl.
- Smudges on the paper will show on the finished bowl.

- Use **ONLY** washable markers

DO NOT USE:

- Permanent, fluorescent, or metallic markers
- Ink pads or inked stamps
- Color changing or overwrite markers
- Glue, glitter, or paint of any kind
- Liquid Paper, Correction Tape, or erasures
- Lead pencil, colored pencil, chalk or crayons
- Tape, stickers or photographs

- Keep the template as clean as possible. Do not fold, wet or crease.
- Fill out the order form completely.
- Send payment.
DO NOT mail payment separately from the drawings.
- Place your order form, payment and finished templates into the plastic bag provided.
- Place the plastic bag into the Bowl Kit box. Tape the box securely. Place the enclosed return mailing label over the original shipping label.

ALLOW UP TO 3 WEEKS FROM DATE OF RECEIPT FOR IN-HOUSE PROCESSING.

***ALLOW AN ADDITIONAL WEEK FOR SHIPPING.**

***(Processing during the holiday seasons of April - May and Oct. - Dec. may take longer. Please plan ahead!)**

The Magic Factory has the option of sending your entire order back to you if we see it will not mold properly.
